Congratulations!

We are excited to inform you that your team and program has been selected as one of the winners of RippleMatch's 2022 Campus Forward Awards. It was clear from your application and thoughtfully submitted answers that you embrace innovative recruiting strategies, care deeply about the candidate experience, are making significant investments in D&I, and are supporting the next generation of talent through impactful internships and entry-level programs.

We are excited to release our 2022 Campus Forward Awards to highlight excellence in campus recruiting and we can't wait to include you in our list of 2022 winners. In the meantime, we ask that you please keep this news off of your public media channels until the awards are publicly released.
